

## **THE CLASSIC ZAMBIA THREE PARK PACKAGE - 2023**

*The perfect combination of the best wildlife areas in Zambia - 4 nights at Flatdogs Camp in the South Luangwa, 4 nights at either Chula or Kutali camps in the Lower Zambezi and 4 nights at Musekese Camp in the Kafue.*

Day 1 Check in at Lusaka airport for your scheduled flight to Mfuwe.

Lusaka – Mfuwe Proflight Zambia  
1030/1140 or 1635/1745 depending on your connections

You will be met at Mfuwe airport by one of our safari guides and transferred to camp (30-40 minutes)

Day 1-5 **LUXURY TENT AT FLATDOGS CAMP – 4 nights**

The luxury ensuite safari tents allow you to feel as close as possible to the natural African landscape around you, there are large windows all around the tent so you can see and hear the animals feeding in camp as well as the hippopotamus honking to each other in the river in front of you! The tents are spacious with a king bed or two singles, large mosquito net, electric lights and plug sockets for re-charging batteries (UK style plug sockets and USB ports). There is also a room safe and tea and coffee-making facilities. The luxury tents have semi open en-suite bathrooms with hot shower, flush toilet and basin. Depending on your time of arrival, you can settle into camp and have some lunch, before we meet again in the courtyard for tea at 15h30, ready to head into

the Park at 16h00, ready to explore this magnificent wilderness. Our guides take huge pride in their work, being able to identify numerous alarm calls and to track animals whilst aiming to anticipate their next move and position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will find a good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand... Then, once it's nearly dark, you will carry on game-viewing with a spotlight, searching for some of our interesting nocturnal residents, like the leopard, lion, porcupine, civet, genet, owls and hyaena.

You will return to camp at around 20h00 in time for dinner and to relive your sightings with us!

It's an early start in the mornings; we offer you a light continental breakfast of toast and cereal, fruit, yoghurt, tea and coffee from 05h30 before you head out at 06h00 on a morning game drive, exploring the park, taking the

sightings as they come, with your guide detailing all you are seeing and adding interesting observations drawn from his years of experience in the Park. You will head back to camp at around 10h00, in time for breakfast or a brunch/lunch type meal –

whichever you would prefer. Then there is time to relax during the heat of the day, enjoying a dip in the pool perhaps or a siesta after your early start? For those keen to get even closer to nature, we also offer walking safaris for a maximum of six guests per walk, so that you can feel even more connected to your surroundings and feel the surge of adrenalin as you start tracking a predator on foot.

If you are interested in village life in this area, we can happily

organize a visit to the nearby Mfuwe village, where you can see the local market and shops as well as visiting our anti-poaching base, or learning more about the fabulous community projects we support, including local schools and education tools within the classrooms. Classroom visits need to be carefully managed so as not to disturb lessons, but Harold is always happy to arrange things for you depending on your interests. This package includes your accommodation in a luxury en-suite safari tent, all meals, two game-viewing activities per day, National Park Entry fees, LCCF (Luangwa Conservation & Community Fund fee), laundry and return airport transfers. Not included are drinks or items of a personal nature like shop purchases or gratuities.

Day 5 You will be transferred back to Mfuwe airport for your direct flight to the Lower Zambezi.

Mfuwe – Jeki Proflight Zambia  
1040/1210 (direct flights on Sundays, Tuesdays and Thursdays only)

You will be collected from Jeki airstrip by your guide from Tusk & Mane safaris and transferred to your first bush camp, usually Kutali camp.

Day 5-9 **TUSK & MANE CHULA OR KUTALI BUSHCAMPING EXPERIENCE – 4 nights**

Tusk and Mane are the only operators in the Lower Zambezi National Park offering a natural wildlife experience. They prefer to show their guests more of an authentic wilderness adventure based from either their Chula or Kutali bush camps. With a four night stay, you will be able to explore in detail this beautiful National Park which perfectly compliments the South

Luangwa. Kutali Camp is located under a stunningly cool Winterthorn forest on the secluded Kulefu Island in the remote eastern sector of the park. Chula Island Camp is located on Katengahumba Island, separated from the mainland by the famed canoeing area, the 'Discovery' channel. This secretive and private Island gives unparalleled views over the Zambezi River. Both camps offer extremely comfortable bespoke tents, with high quality linen and mattresses, alongside flushing toilets, running water taps and traditional bucket-showers. These camps are able to offer the broadest possible spectrum of safari activities. They are specialists in walking and canoe based safaris, with a high-caliber of qualified guides (in Zambia guides are professional, and accredited to the same standard as school teachers). They are also able to offer game drives, both day and night, alongside boat based safaris and even angling for those interested in trying their hand at landing

the world famous Tigerfish! Photography is a passion of ours as a company and our guiding team are experts in light, angles and of course wildlife

behaviour and anticipation. Gliding silently in a canoe up to a big bull elephant dreamily munching his way through the lush grassy banks of the river is something you will never forget.

In the mornings, you will rise early with the light before maybe walking

through the winter-thorn forest, listening for alarms and following tracks before returning to camp for lunch. In the afternoons you might canoe down “discovery channel” in the peace of the afternoon light before cruising back by boat to camp. This almost unique bush camp experience includes all meals, game-viewing activities, drinks, laundry, National Park Entry fees and airstrip transfers.

Day 9

You will be transferred back to Jeki airstrip for your light aircraft flight to the Kafue at the end of your Lower Zambezi adventures.

Day 9-13

**MUSEKESE CAMP – 4 nights**

Musekese Camp offers wonderful views over an open plain dambo and lagoon system which attracts game throughout the season. This area of the Kafue National Park also includes picturesque riverine woodlands creating excellent habitat and cover for diverse wild and bird life. From camp, you are able to explore this wild area on foot, by vehicle and by boat with expert guides. There are few more enjoyable experiences in this life than spending time on the Kafue River. Aside from the beauty of this magical and surprising river, the photographic and wildlife viewing opportunities can be first class, from the sublime beauty of the Half-

collared kingfisher to the allure of the elusive leopard coming down to drink in the heat of the summer months. In this outstanding area of the Park you might have the chance to encounter elephant on foot, to track wild dog and view breeding colonies of African skimmers as well as numerous other species. The five newly re-built tented rooms are spacious and comfortable with all you need for a good night's sleep. This includes en-suite flushing toilets and on-demand hot water showers. Power is drawn from a well configured solar system and the main area has plenty of surplus power 24/7 to keep all your devices fully charged and drinks ice cold. All accommodation, meals, drinks including house wine, beer and spirits, safari activities, laundry, ZAWA Park Fees and KCC and SES MediVac Cover are all included.
