all around the tent so you can see and hear the animals feeding in camp as well as the hippopotamus honking to each other in the river in front of you!

The tents are spacious with king or twin beds, large mosquito net, electric lights and plug sockets for re-charging batteries (UK style plug sockets). There is also a room safe and tea and coffee-making facilities. The luxury tents have semi open ensuite bathrooms with hot shower, WC and basin.

Time to settle into camp and have some lunch, before your first afternoon safari into the South Luangwa National Park. In the afternoons, we tend to meet for tea at 15h30, then head into the park at 16h00, ready to explore this magnificent wilderness. Our guides take huge pride in their work, being able to identify numerous alarm calls and to track animals and try to anticipate their next move so as to

position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will find a good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand... Then, once it's nearly dark, you will carry on game-viewing with a spotlight,

searching for some of our interesting nocturnal residents, like the leopard, lion, porcupine, civet, genet, owls and hyaena.

You will return to camp at around 20h00 in time for dinner and to relive your sightings with us!

In the mornings, we offer you an early breakfast of toast and cereal, tea and coffee at 05h30 before you head out at 06h00 on a morning game drive, exploring the park, taking the sightings as they come, with your guide detailing all you are seeing and adding interesting observations
