Day 5-9

### **FLATDOGS CAMP – 4 nights**

The luxury ensuite safari tents offer you a back to nature taste of the wild, with large windows all around the tent so you can see and hear the animals feeding in camp as well as the hippopotamus honking to each other in the river in front of you!

The tents are spacious with a king bed or two single beds, large mosquito net, electric

lights, stand up fan and plug sockets for re-charging batteries (UK style plug sockets). There is

also a room safe and tea and coffee-making facilities. The luxury tents have semi-open air en-suite bathrooms with solar heated hot shower, WC and basin.

Depending on your time of arrival, you will either arrive in camp in time for dinner, or you can settle into camp and have some lunch, before meeting in the courtyard for tea at 3.30pm. Here you will meet the guide who will be taking you on your safaris and first adventures in the Park! You will usually head off into the Park at 4pm, to start exploring this magnificent wilderness. Our guides take huge pride in their work, being able to identify numerous alarm calls and to track animals and

try to anticipate their next move so as to position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will find a good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand... Then, once it's nearly dark, you will carry on game-viewing with a spotlight, searching for some of our interesting nocturnal residents, like the leopard, lion, porcupine, civet, genet, owls and hyaena.

You will return to camp at around 20h00 in time for dinner and to relive your sightings with us!

It's an early start in the mornings; we offer you an early breakfast of toast and cereal, tea and coffee from 5.30am before you head out at 6.00am on a morning game drive, further exploring the park, taking the sightings as they come, with your guide detailing all you are seeing and adding interesting observations drawn from his years of experience in the Park. You will head back to camp at around 10.00am, in time for breakfast or a brunch/lunch type meal – whichever you would prefer is fine in our a la carte restaurant. Then there is time to relax during the heat of the day, enjoying a dip in the pool perhaps or a siesta after your early start? If you are interested in visiting any conservation or artisanal projects in the area, we are close enough to Mfuwe to do this in between your safaris. We will happily take you to town to see the Conservation South Luangwa base, Project Luangwa and some of the other projects we support in the local community. If you would like to visit Tribal Textiles and their artisan's market, or the Mulberry Mongoose jewellery workshop, we can organize

taxis to take you there too.
