

## **BUSH & LAKE SAFARI & BEACH ITINERARY**

Day 1 Flight from Lilongwe to Mfuwe Ulendo Airlink  
Wednesdays or Fridays 1415/1515

Before flying out of Lilongwe, you will need to pay airport departure taxes of US\$40 per person in cash at the airport kiosk, unless you are in transit from an international flight. On arrival at Mfuwe International airport, you will need to purchase your tourist visas which cost US\$50 per person.

You will be met at Mfuwe airport by one of our safari guides and transferred by road to camp (+/- 30 minutes)

Day 1-5 **FLATDOGS CAMP – LUXURY SAFARI TENT - 4 nights**

The luxury ensuite safari tents offer you a back to nature taste of the wild, with large windows all around the tent so you can see and hear the animals feeding in camp.

The tents are spacious with either a king-size bed or two

single beds inside a large mosquito net, electric lights and plug sockets for re-charging batteries (UK style plug sockets). There is also a room safe and tea and coffee-making facilities. The tents

have a semi-open bathroom at the back of the tent with hot shower, flush loo and basin.

Since you are arriving in the afternoon on the first day, we will quickly show you into camp and give you a safety talk on what to do when you

see animals in camp, before you head straight off into the Park with your guide for your first afternoon safari! The South Luangwa National Park is one of the last few undisturbed wilderness areas in Southern Africa. The habitat has been left untouched since life first began. Our guides take huge pride in their work, being able to identify numerous alarm calls and to track animals and try to anticipate their next move so as to position you for the best sightings.

As the sun starts to dip towards the horizon, your guide will aim to find a good spot to stop so you can stretch your legs and watch the sun set with a cold drink in hand... Then, once it's nearly dark, you will carry on game-viewing with a spotlight, searching for some of our interesting nocturnal residents, like the leopard, lion,

porcupine, civet, genet, owls and hyaena. You will return to camp just after 20h00 when the Park closes, in time for dinner and to relive your sightings with us!

In the mornings, it's an early start so you can make the most of the light and when the animals are at their most active. We offer you an early breakfast of toast and cereal, tea and coffee at 05h30 before you head out at 06h00 on a morning safari, exploring the park, taking the sightings as they come, with your guide detailing all you are seeing and

adding interesting observations drawn from his years of experience in the Park. You will head back to camp at around 10h00, in time for breakfast or a brunch/lunch type meal – whichever you prefer? Then there is time to relax during the hottest part of the day, enjoying a dip in the pool perhaps or a siesta after your early start? If you prefer to stay active, then we shall find you plenty of other

interesting things to do! If you are interested in village life in rural Zambia, we can happily organize a visit to the nearby Mfuwe village, including our anti-poaching base and some of the local community projects, including schools, we are supporting in this area. Your stay at Flatdogs includes your accommodation in a luxury safari tent, all meals, two game viewing activities per day, National Park Entry fees, an hour's internet per day, laundry and return airport transfers. Not included are drinks or items of a personal nature.

#### Day 5

You will be transferred back to Mfuwe airport in time for check in for your light aircraft flight to Lilongwe. You will need to pay international airport departure taxes of US\$40 per person in cash before you fly off in your small plane.

#### Day 5-9

##### **BLUE ZEBRA LODGE – 4 nights**

This lovely eco-friendly lodge is tucked away on Nankoma island, one of the three islands of the Marelli archipelago and a UNESCO World Heritage Site within the Lake Malawi National Park.

The islands offer wonderful opportunities to see some of the rare Chichlid fish species found in the lake which has made the area famous and protected. The islands are also home to numerous bird species including the rare Africa Pitta which all add to this unspoilt natural paradise. The island is quite steep in the interior

and there are several nature trails for you to follow if you would like to explore/take some exercise. You can ask for a guide to accompany you if you'd like some help identifying any birds or trees along the way. There is also a spa on the

island offering pampering treatments from massages to pedicures. There is a swimming pool looking out over the lake and a beach in front of camp for relaxing as you listen to the waves lap the shore. Accommodation is in a lake safari tent with ensuite facilities. Some tents are quite far from the main area, along quite steep trails, so do let us know if you would rather be closer? All meals (continental breakfast with hot meal to order, 2-course lunch, 3-course dinner); afternoon tea & snacks; unlimited coffee, tea & purified water. and non- motorised water sports such as snorkelling from the lodge, kayaking, the nature trail and volley ball are included. Drinks, motorised activities (sunset boat cruises, wake-boarding, water-skiing, tubing, seasonal scuba diving) and Lake Malawi National Park fees at US\$10 per person per day are at extra cost.

## Day 9

The boat transfer is scheduled to leave the island at 1100 after a leisurely breakfast and perhaps a last kayak around the island? You will be dropped back on the mainland and then transferred by road to Lilongwe airport in time for your onward flight. (you can also be dropped off at a Lilongwe hotel if preferred)
